

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL MEMORANDUM

SB 841 – HB 1217

April 13, 2009

SUMMARY OF AMENDMENT (005491): Adds language to the bill exempting the scenic portion of the Duck River added by the original bill from certain sections of the Scenic Rivers Act.

FISCAL IMPACT OF ORIGINAL BILL:

Increase State Expenditures - \$327,000/Recurring
\$10,800/One-Time

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumption applied to amendment:

- The amendment removes the applicability of certain sections of Tenn. Code Ann. which would require the Department of Environment and Conservation (TDEC) to establish boundaries for the new section of scenic river. However, the portion of the bill requiring TDEC to establish boundaries and provide education and outreach to landowners is not removed from the bill. Therefore, TDEC would still be responsible for these duties and would incur the associated costs established in the fiscal note for the original bill.
